DAY IS DRAWING TO A CLOSE . . .  
1977

"POMP AND CIRCUMSTANCE"  
1977

"WILD CATS BRINGING HONORS"

In Memory of Deborah Price

We love to think of little children whom God has called to Himself, as away at school, at the best school in the universe, under the best teachers, learning the best things, in the best possible manner.

O death, we thank thee for the light that thou wilt shed upon our ignorance. - Bossuet

We mourn the loss of Deborah, a 10th grade pupil, whose presence will be missed not only from our girls basketball team but also from our classes and halls.

The Armstrong Family

## CLASS CREED

By Zelda Smith

We, the graduating class of 1978, do hereby declare our creed.

We, the students, believe that we have accomplished many goals during our school days here at Armstrong High School, which will enable us to be successful citizens in this complex society.

We believe that we have gradually fulfilled our goal of obtaining a good education, for we have been taught to discipline ourselves to read critically, to write creatively, to master computation skills and to prepare for a vocation.

We believe that the teaching and guidance of our teachers and our parents have helped us to make wise decisions.

We believe that as we encounter life, our years spent here at Armstrong will be a memorable and rewarding experience.

We believe in Armstrong, for it has always been one of the best institutions in which one can receive an education.

We believe that as Seniors, we should conduct ourselves in such a manner that the undergraduates will see the pride and devotion which we have for Armstrong High School and will vow to preserve and protect its high ideals.

We believe strongly in ourselves, for we have done the best that we can do.

We are the future adults, and our intellectual experiences will enable us to be better adults in today's life.

We believe in our future. We can accomplish our goals because of what we have learned.

We will become great as we take our places in the world.

We further believe that with God's help and guidance, all things are possible.

## CLASS MOTTO

"The wind of tomorrow has blown through our mind and given us, the sweet fragrance of life and success. We must be like kites, and be blown in this wind for God only knows when it shall again blow.

## CLASS SONG

### Armstrong, You've Lighted Our Way

So many times we've come here to Armstrong  
Trying in life to make our way along;  
Here we're prepared to go on our way  
Into the world to face a brighter day

Cause you've lighted our lives,  
Given us hope to carry on,  
Show our class the way  
To a brighter day to come.

Rolling at sea, it can't actually be;  
Time for us to leave this place we love so.  
Finally a chance to say thanks, dear Armstrong.  
You've helped us to grow and made us to know

That you've lighted our lives,  
Given us hope to carry on,  
Shown our class the way  
To a brighter day to come.

You, you've lighted our lives,  
Given us hope to carry on,  
Shown our class the way  
To a brighter day to come  
We must prove we're great,  
In '78.  
Armstrong, you've lighted our way.

Words written by Cleaven W. Edmonds  
Tune: "You Light Up My Life"

### CLASS POEM

Farewell to Armstrong  
To say farewell to Armstrong High  
Tell "So long" to all.  
For we have shared some happy times,  
I am sure you can recall.

To think of lost long memories,  
Of events that left so fast.  
We shall remember each of you  
For we are now the past.

We were proud to be Mighty Wildcats,  
Loving our orange and blue.  
But we have to leave you now  
Which is very hard to do.

Now we know we must step aside  
For the senior class of '79.  
So be prepared to take our place;  
We know you'll do just fine.  
It is now time to say farewell  
To our dear school, Armstrong  
To teachers and students as well  
To you we say, "So long!"
